

TAMAR BROADBENT

Writer | Actor | Improviser | Comedian | Singer-songwriter.

Hello! I'm a writer/performer from London. I've written five solo comedy shows, which I've toured to the Edinburgh Fringe, Europe, Australia and NYC. I've appeared on BBC Radio 4's *The Now Show*, written for *Sketchtopia* and filmed a web pilot based on my show *Best Life*. My comedy songs are on YouTube and Spotify.

I spent 2 years working at Boom Chicago improv theatre, where I performed long form, short form and musical improv five nights a week.

I write scripts in the comedy/drama genre and I love banana bread.
